Dear Alex,

I am sorry but we are still in the process of securing the advice. I will sort this out on Monday when I am in the office (currently WFH).

I am about to do the instruction form for the S.106 but you should note that this will include the highway contribution which you are not in agreement with. I am not sure therefore whether the legal agreement will be able to progress.

Kind Regards

Simon,

Following my email of 26th September, I was just wondering where we were on design/layout?
