Dear Alex,

I'm sorry we have had some issues with our financial software which has delayed our ability to raise a purchase order. My Team leader was able to raise one on Monday and we are just awaiting management authorisation so that we can then instruct our Design consultant.

Kind Regards

Dear Alex,

I am sorry but we are still in the process of securing the advice. I will sort this out on Monday when I am in the office (currently WFH).

I am about to do the instruction form for the S.106 but you should note that this will include the highway contribution which you are not in agreement with. I am not sure therefore whether the legal agreement will be able to progress.

Kind Regards
