Simon

I am intrigued. Why are you still faffing around trying to help the applicant get OPP for this site (being an unallocated site outside of a BUA boundary in the countryside and therefore contrary to the development plan (ADLP and NP)) when in August 2018 Mr Vick refused the Wings Nursery site (AL/115/17/OUT) just yards away on the other side of Lidsey Road for precisely those reasons?

Does the success or otherwise of an application for PP made to Arun now depend on which officer you get and whether or not they like you or are there some more genuine material considerations for the purposes of S38(6) of which we are not aware?
