Thanks Mike,

As the consultation period finishes tomorrow, it would be useful to have an idea of what actions, if any, emerge. The sooner we can clear matters, the better so that the applicant is able to advance other matters.

Many thanks.

Graham Beck JP, MBA, LL.B. (Hons), BA (Hons), Dip. TP, MRTPI, MCMI

Graham,

Neil Crowther has asked me to write with regard to the Highways England holding objection to your client's planning application.

Highways England have been informed that the application is not a departure. The description has now been changed because the proposals are within the Arun Local Plan Site 6 employment allocation.

In the light of this, HE have been requested to indicate if the holding objection still stands.

As to the other matters, for example air quality, an action list will be created following the receipt of all consultation responses. This, together with the results of a recent site visit, should provide a list of issues for action. Some of these issues, may eventually, be reasonably dealt with by condition. The consultation phase closes on 16th July 2015.

Regards,

Mike Gibbs.
