Dear Mrs Eggington,

**Lidsey Foul Water Assessment – Grindel, Level Mare Lane,
Eastergate**

We are proposing a single storey extension at the above property.

Within the proposals are a re-sited kitchen. The wastes from this will discharge into existing soil and vent pipes or trap gullies, and then to inspection chambers on the existing drain run, which flows to the main public drainage system.

We are not proposing any new connections into the existing public mains drainage system.

Yours sincerely

Ivan Salter,
A. J. Salter & Son
