Dear Chris,

Environmental Health have also been consulted. You will recall they previously objected to the proposed construction hours so provided the new document responded to their previous concerns, there should be no delay on that matter.

Good morning Ian

Just to let you know that the DoC app has now been validated and is live. You will no doubt receive the consultation request from ADC shortly if not already.

Again, a quick turnaround of response would be greatly appreciated.

I have copied in Simon Davis who is dealing with the app at CDC again. Simon, aside from Ian's (WSCC Highways) response, is there anything with this application that would prevent you from determining it as soon as Ian has raised no objection? I appreciate with the detailed app for the wall removal, that the consultation period needs to run its course as it is being publicly advertised, but can you swiftly approve it if it's DoC?

Many thanks

Chris

Kind regards
