Dear Mr Martin,

I write to you regarding application AL/59/18/HH – Northfields, Hook Lane, Aldingbourne.

I have taken the file over from my colleague and just require some clarification on one of the drawings. There appears to be a discrepancy with the proposed elevation drawing ¾. The new East Elevation plan shows a distance of 0.7m between the highest part of the proposed side extension and the top of the existing roof, however, the new North Elevation indicates there only to be 0.3m, the elevations look quite different on the plan.

Could we please therefore request you amend the drawing and send in a revised version.

Many Thanks,

Charlotte
