Dear Mr Bone

AL/59/22/DOC

As I have not received any additional information I have to make a decision on the application and it will be recommended for refusal, in line with drainage comments.

If you intend to resubmit, as long as you've included the elements mentioned on their comments, I believe it would be acceptable. The drainage department are catching up on the backlog and I don't anticipate that another application would take so long in receiving a response.

Thanks

Amber Willard
