Dear Mr and Mrs Goddard,

The plan has been agreed with Rachel and you can see her confirmation on the website files. Also, the plan is a replacement of the earlier drawing.

Kind Regards

Dear Mr Davies,

Thank you for forwarding the new landscaping plan to us; it does look as though consideration for how this effects us has finally been dealt with satisfactorily, and we are very grateful for that.

We do hope that ADC are able to accelerate the planning process to approve the scheme, (provided it is acceptable), in order to get this established in the present planting season?

It was our understanding that the request for a further plan was in order to incorporate further requirements requested by ADC 's Landscaping advisor Rachel Alderson. So can you please confirm for us that this new plan is in addition to the earlier plan and therefor interlinked, or if it supersedes the earlier plan?

I am sorry to hear Mrs. Dannatt is unwell and we wish her a swift recovery.

We appreciate your cooperation in this matter.

Best Regards

Phill and Rosy Goddard
