Subject: FW: Planning Consultation on: AL/61/20/PL

Dear Eamonn,

Please see comments below from our drainage engineer. I have compared the approved plans for AL/47/14 and the proposed plans for this application and can see no discernible difference in hard surfaced areas unless that is that areas that were originally gravelled have been laid with tarmac? Can you advise please. This may also apply to our request for marked parking spaces.

Kind Regards
