Dear Eamonn,

We had our pre-Committee Members Briefing Panel on Friday. Members asked about the previous landscaping condition which has never been discharged (I wrote separately to you about this on 06/10/20). Members were annoyed that this hadn't been discharged/agreed. Is it possible to submit a DOC before the Committee Meeting? If not then you should mention it in your presentation i.e. say that this will be submitted within x amount of time.

Simon.

Simon,
Please see attached revised layout including parking plan which also shows a minibuss pick up and parking area.
Apologies for the delay.

The cover letter addresses concerns raised in the various objections received.

Regards,

Eamonn
