

Please upload the below to the above application.

Dear Ms Tomalova

I am writing to inform you that we have discovered resident breeding dormice in my garden at 21 Dukes Road, Fontwell, next to the proposed planning site.

As you are aware, the application is pending the outcome of an appeal. However, as you will appreciate that this species is protected by law and therefore it is of the utmost importance that this information should be conveyed to relevant parties.

I would greatly appreciate your advice regarding this. In the meantime, I have notified the Sussex Wildlife Trust.

Many thanks for your attention.

Kind regards
Patricia Coulter
