Referring to the notification of a planning application dated 28 July 2021 referenced above, in the vicinity of the A27 Trunk Road near Fontwell, Sussex that forms part of the Strategic Road Network, notice is hereby given that Highways England's formal recommendation is that we:

- a) offer no objection*;

**This is on the basis that the proposals will generate minimal additional traffic on the SRN in Peak Hours. We therefore consider that the development will not materially affect the safety, reliability and / or operation of the SRN (the tests set out in DfT C2/13 and MHCLG NPPF2021), in this location.*

- ~~b) recommend that conditions should be attached to any planning permission that may be granted (see Annex A – Highways England recommended Planning Conditions);~~

Highways England Planning Response (HEPR 20-07) June 2021

~~c) recommend that planning permission not be granted for a specified period (see Annex A – further assessment required);~~

~~d) recommend that the application be refused (see Annex A – Reasons for recommending Refusal).~~

Highways Act Section 175B is not relevant to this application.¹

HIGHWAYS ENGLAND (“we”) have been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). The SRN is a critical national asset and as such we work to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

This represents Highways England’s formal recommendation (prepared by the Area 4 Spatial Planning Team) and is made available to the Department for Transport as per the terms of our Licence.

Should the Local Planning Authority disagree with any recommendation made under b), c) or d) above, the application must not be determined before they have:

- i) informed Highways England; and
- ii) consulted the Secretary of State for Transport, as per the Town and Country Planning (Development Affecting Trunk Roads) Direction 2018, via
