Hi Hannah

Thanks for the email.

oooops my mistake the rear is the north elevation. Attached revised details.

Many thanks

Phill

Dear Phill,

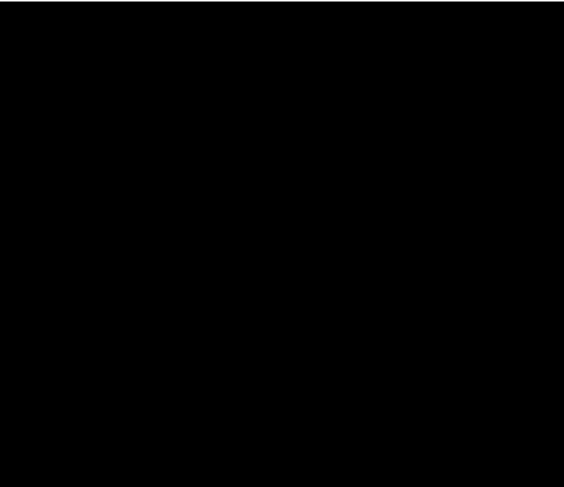

I hope this email finds you well and hope you are managing to keep cool in the heat.

I'm contacting you regarding the application for a rear extension at Alafin (AL/63/22/HH). I am currently writing up the report for the application and have noticed there appears to be a mistake on both existing and proposed elevations. The elevations have been labelled south, west and east but this does not seem to correlate with the properties orientation on the block plan. I just wanted to check the rear elevation is definitely facing north instead of south and I'm not reading the block plan incorrectly?

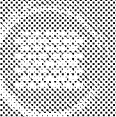

If there is a mistake on the elevations, please could you send us an amended version so we can update this on the application.

Kind regards,

Hannah Kersley
