Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/64/20/PL
Site Address: Springfield Hook Lane Aldingbourne PO20 3TE
Description of works: Demolition of the existing dwelling & construction of 2 no. 2-bed, 3 no. 3-bed, 4 no. 4-bed houses including access, landscaping & associated works (resubmission following AL/27/20/PL).

Thank you for your internet representation made on 1st October 2020 which has been recorded as an objection with the comments as follows:

OWPC30011

Good evening, please consider our objection to the imposing development. I would really appreciate if the council can consider the impact to the traffic and safety of homeowners surrounding Hook Lane. The road is already over used by members of the public who are not residents of the lane and those wishing to shortcut to Shripney. The addition of more homes to the lane will see this only increase and danger to users increase 10 fold. Work has still not finished on both the David Wilson and summer meadows site and therefore we can only see the dangers of this new development.

Your views as made above will be considered before the application is determined.
