Natalie,

Sorry – can you also provide the Tree Constraints Plan. I have noted that one objector had stated that no tree survey was provided and this is technically true as the constraint plan and schedule are the survey whilst the AIA & Protection Plan which we have got refer to the mitigation.

Simon

Hi Natalie,

I am writing this application up for approval for Committee. The Arb Statement mentions the Tree Schedule but I can't see that this has been provided so can you send this over to me asap as I need to clearly identify in the report those trees to be removed.

Thanks
