Dear Simon,

I can confirm for you and Ian Whiteman as below; please forward this to him for us.

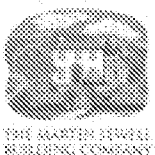

Condition 3 - we will go for a slim DG unit then (I believe 14 or 16mm is standardly available now

Condition 4 - we are no longer doing the glass roof covered porch so this can be removed as sent by architect A.Sucliff.

Condition 5 - It is detailed to have a lime mortar render over the fibreboard so it is breathable as you have stated. Will then have a breathable paint finish (clay or lime based TBC)

Kind regards,

David Kuchanny MSc

Dear Mr Sutcliffe,

Please see attached comments from our Historic Buildings Adviser which require a response before the conditions can be discharged. The Historic Buildings Adviser is in the Arun Offices weekly usually on a Tuesday or Wednesday.

Kind Regards
