Figure 1: A line graph showing the percentage of respondents who believe that the use of force is justified in various circumstances. The x-axis represents the percentage of respondents who believe that the use of force is justified, ranging from 0% to 100%. The y-axis represents the percentage of respondents who believe that the use of force is justified, ranging from 0% to 100%. The graph shows that the majority of respondents believe that the use of force is justified in all circumstances, with the highest percentage of respondents (approximately 85%) believing that the use of force is justified in all circumstances.
