Thank you for the planning statement. It has been added to the file.

I note you request about the extension of time for the Transport Statement. I will be emailing you an 'official' letter granting a further two weeks to get the statement to me.

Can you confirm that there is no operational development proposed?

Regards

Good afternoon Ms Johnson

I write with reference to your letter of 20 May 2022 and regarding the above application. Please find attached a copy of the Planning Statement as requested.

With regard to the Transport Statement, the traffic consultants have advised that the surveys have been undertaken this week. With this in mind, they may not have the survey data available for the statement to be finalised by 3 June 2022, Particularly due to the bank holidays. However, it should be with the Council during w/c 6 June. Please could you confirm that this will be acceptable and that you can extend the period for the validation accordingly?

Should you have any further queries, please do not hesitate to contact me.

Kind regards
Charlotte
