Hi Charlotte,

We are just waiting for the consultation period to end. Some consultees have already replied (you can see these online) but the key ones will be Env Health and Highways and they are awaited. I can support the proposal subject to no concerns from these or others. The consult period expires next Thursday.

Kind Regards

Good afternoon Simon

I understand that you are the case officer for the above application. I was wondering whether you have everything you need at this stage and whether there is any initial feedback on the proposal? Could you let me know?

Many thanks indeed and best wishes
Charlotte
