

DECISION NOTICE

Application Ref: AL/68/22/PL

1 To Addressee

Mrs Charlotte Grant
Wyvols Court
Basingstoke Road
Swallowfield
Reading
RG7 1WY

2 Site Address

Aldingbourne Country Centre
Blackmill Lane
Aldingbourne
PO18 0JP

3 Description of Development

Change of use from ancillary accommodation associated with the Aldingbourne Centre (Sui Generis) to use as a day nursery (Class E(f)). This site is in CIL Zone 3 (Zero Rated) as other development.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions.

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The building shall be used for a day nursery catering for a maximum of 21 children under class E(f) and for no other purpose (including any other purpose in Class E of the Schedule to the Town & Country Planning (Use Classes) (Amendment) (England) Regulations 2020 or any other Statutory Instrument revoking, re-enacting or amending these regulations).

Reason: To enable the Local Planning Authority to maintain control in the interests of highway safety and amenity particularly as National Highways have assessed the proposal on the basis of the stated number of children and therefore in accordance with Arun Local Plan policies QE SP1, T SP1 and the NPPF.

- 3 The development hereby approved shall be carried out in accordance with the following approved plans:

LOCATION PLAN ref V01-100.
BLOCK PLAN ref V01-110.
PROPOSED SITE PLAN ref V02-300 REV A.
PROPOSED GROUND FLOOR PLAN ref V03-300; and
SWEPT PATH ANALYSIS: FIRE TENDER ref 2204056-TK02.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policies T SP1, D DM1 and QE SP1 of the Arun Local Plan.

- 4 Prior to first use/occupation of the building by children, a copy of the asbestos register, and any remedial strategy (where appropriate), must be provided in writing to the Local Planning Authority. Should a remedial strategy be necessary then this must be approved in writing prior to the first use.

Reason: As the building is changing its use to accommodate children, the council needs to be satisfied that if any asbestos previously identified is still present, it is either removed or suitably managed to minimise risk to human health as there is no safe threshold for asbestos exposure. In accordance with policy QE DM4 of the Arun Local Plan.

- 5 Prior to first use of the building, a scheme for the provision of facilities to enable the charging of electric vehicles to serve the proposed staff parking spaces shall be submitted to the local planning authority for approval and thereafter implemented in accordance with the approved details and the charge points shall thereafter be retained and maintained in good working condition.

Reason: New petrol and diesel cars/vans will not be sold beyond 2030, and to mitigate against any potential adverse impact of the development on local air quality, in accordance with policy QE DM3 (c) of the Arun Local Plan, the Arun District Council Electric Vehicle Infrastructure Study (November 2017) and the NPPF.

- 6 No new external lighting shall be installed on the site unless and until full details (including type of light appliance, the height and position of fitting, predicted illumination levels and light spillage) have been submitted to and approved in writing by the Local Planning Authority. The submission should also cover new streetlighting if required. The scheme should seek to conform with the recommendations of the Institution of Lighting Professionals (ILP) "Guidance Notes for the Reduction of Obtrusive Light" (GN01:2011) but also minimise potential impacts to any bats using the site/site environs (in accordance with the BCT/ILP Guidance Note 08.18) by avoiding unnecessary artificial light spill through the use of directional light sources and shielding. The lighting approved shall be installed and maintained in accordance with the approved details

Reason: In the interests of the site biodiversity (particularly in respect of bats) and to minimise unnecessary light spillage outside the development site in accordance with policies QE SP1, QE DM2 & ENV DM5 of the Arun Local Plan.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

INFORMATIVE: It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site. Please contact Southern

Water should a sewer be found - Southern Water to discuss this - Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

INFORMATIVE: An Environmental Permit may be required for the septic tank under the Environmental Permitting Regulations 2016. The applicant is advised to contact the Environment Agency's National Customer Contact Centre (NCCC) on 03708 506 506.

Neil Crowther

Decision Issued: **8th August 2022**

Arun District Council
The Arun Civic Centre
Maltravers Road
Littlehampton
West Sussex BN17 5LF

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
