Support document for Proposed Mono Pitch Extension to Existing Tractor and Machinery Store

Mr and Mrs Singleton have had the Barn (formally "Fernfield") for more than years formally Fernfield Barn Farm it is set in about 2.1 hectares of Agricultural land.

In 2010/11 permission was sought and granted (AL/45/11/) for a building for storing a tractor and grass cutting machinery.

The proposed mono pitched extension will be used for storing hay to be produced from 2 hectares of grassland .together with winter welfare housing for "Pigmy Goats"

The size and shape of the building is dictated by the requirement to store hay produced from 2 hectares of grassland .together with winter welfare housing for "Pigmy Goats"

The building will be a timber clad mono pitch lean to extension to match the existing
