Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/70/20/PL
Site Address: West Barn Old Dairy Lane Norton PO20 3AF
Description of works: Residential Mews consisting of 6 No dwellings. This application may affect the Norton Lane, Norton Conservation Area, may affect the setting of a listed building, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable.

Thank you for your internet representation made on 20th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30538

We would like to object strongly to the application which shows no significant change to two previous applications for the site, both of which were denied on appeal. The applicant states that the 'impetus' for the re-submission was the granting of planning permission for a neighbouring property, though this was for the conversion of an existing building.

Our objections remain the same. Norton Lane is a quiet lane in an isolated area with no local facilities and no public transport. The development has no consideration for the surrounding conservation area. There are no similar terrace-style premises.

Overall, the development is in a countryside location, outside the Arun and Aldingbourne development plans and would harm the nature of the Conservation Area.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
