Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/70/20/PL
Site Address: West Barn Old Dairy Lane Norton PO20 3AF
Description of works: Residential Mews consisting of 6 No dwellings. This application may affect the Norton Lane, Norton Conservation Area, may affect the setting of a listed building, is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable.

Thank you for your internet representation made on 25th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30664

We strenuously object to planning application AL/70/20/PL on the following grounds:

1. It's a departure from both the Development Plan and Neighbourhood Plan.
2. The site is unsustainable; shops, travel connections (including non-existent bus service) are not within walking distance. This will have the negative impact of many more cars and delivery vans using an already narrow lane. Norton Lane has already become a short-cut from the A27 to the B2233 and in places there are several pinch-points, blind corners and entrance drives.
2. The site has already been developed from a working dairy farm into dwellings and any further development would be out of character for this Conservation Area.
4. We live in a Listed Building opposite the entrance to Dairy Lane and have observed first-hand the struggle that large vehicles already have accessing the site.

Your views as made above will be considered before the application is determined.
