Subject: AL/71/22/DOC

Dear Planning,

I have considered the above application for condition 12 (External lighting) discharge relating to approval of details imposed under AL/66/21/PL. The lighting proposal showed in drawing ref: 17-1197 seem unlikely that there will be light spillage giving rise to nuisance from artificial lighting. Accordingly, condition 12 may be discharged.

With regard condition 11 – (Landscape) I am unable to make comments as this is not with EH remit.

I hope this helps.

Regards
