Conversion from storage in relation to tourist accommodation to 1 No tourist accommodation unit together with provision of ancillary car port  
The Old Stables Old Dairy Lane Norton

---

Thank you for your internet representation made on 14th July 2012 which has been recorded as an **objection** with the comments as follows:

*I wish to object most strongly to this application. A lot of work has already been done on this building and it has been occupied for some long periods of time. During the times that someone has been in occupation, I have found that I have suffered a total loss of privacy in my back garden. There are three windows and a door in the southern facing wall of this building, all of which look towards my property. The door opens into an area of garden/yard, and when this is in use, I feel totally overlooked, and have no privacy at all. □ I would also object to the construction of the car port, since there are already a large number of different buildings in close proximity to each other. I don't think that such a building is necessary for a holiday let.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and may publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
