Dear Sir,

Reference - AL/72/19/PL

I strongly object to the above amended application. I have no desire to reiterate whatever objections have been made by other residents of Oak Tree Lane. My objection lies in the question of (Rights Of Way) along Oak Tree Lane which is an unadopted lane. When this particulate estate was developed by Parish Homes (Wiltshire) in and around (1994) there were two lanes ie. namely Reeds Lane and the newly constructed Oak Tree Lane both lanes at that time had egress to the motorway (A29), eventually Reeds Lane was discarded for the further development of the estate. Ultimately Oak Tree Lane was handed over (Tudor Homes (Selsey) which is fully maintained by the residents under membership of (Hadleigh Gardens Management Company Limited) at a cost to the residents under the terms of contract made by Parish Homes (Wiltshire). The crux of the matter is has I have stated the question lies in the (Right of Way). Oak Tree Lane is owned by (Tudor Homes (Selsey)), not Arun District Council, unless the (ADC) is prepared to adopt Oak Tree Lane the application must fail due to the granting of a (Right of Way) for the proposed development. To my mind, it does not matter whatever way the Applicate shuffle his/her application it should be refused. At the end of the day. As Council Tax payees we should at least expect some protection ~~against~~^{inst} against this type of infilling in persuit of monetary gain.

Yours Faithfully

F.T.Hood
