Hi Simon,

RE: Barn at Sack Lane, Lidsey

On the grounds that the barn is a non-designated heritage asset this scheme is capable of support now. The only amendment we would recommend is changing the single door in the main opening to glass. A solid door here is not appropriate.

Please condition all glazing and door details.

Kind regards,

Ian

Hi Ian,

Further to your comments on this application, I have had amended plans. I'll re-consult you on these changes but here is a heads up. I wonder if you could look at this by next week as its due for decision by 20/12/13. Thanks.

Dear Simon

Re: Barn at Sack Lane, Lidsey
Your ref: AL/42/13

Following the recent comments from Dr Wightman I have attached PDFs of our revised drawings 2012/01/02 revision B and 2012/01/03 revision B.

We have amended the internal layout as suggested by Dr Wightman, moving the main living room to the first floor, this reduces the level of subdivision and creates an open plan space across 75% of the original barn, subdivided only by the first floor and the central chimney.

We have also amend the site plan, omitting the areas of grass and reducing the area of paving.

I trust these proposals are now acceptable.

Regards

Garry Mount
