Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/73/21/HH
Site Address: 26 Meadow Way Westergate Aldingbourne PO20 3QT
Description of works: Erection of part single storey side/rear extension and part two storey side extension with 3 x front dormers following the demolition of existing

Thank you for your internet representation made on 16th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39611

- (1) Over development of the site.
(2) Proposed gabled dormers and gabled porch to the front (west) elevation. Meadow Way was built in 1964 to appear as estate of chalet bungalows in a contemporary style with open plan front gardens. The character of the bungalows incorporated large picture windows and flat roofed dormers. To an extent this character remains in the original houses. Where semi-detached buildings were designed as a pair it is visually important that one house is not entirely altered in character which would happen here if this design were allowed. No. 26 is not a country cottage: the design of the dormers and porch should reflect the 1964 design of No. 25 (my mother's house) to which it is attached.

Your views as made above will be considered before the application is determined.
