Thank you Simon,

This is not an application by stealth it will improve the accommodation. Your support is appreciated. Please accept this email as our agreement to extend.

Kind regards,

JohnG

Dear John,

Further to our conversation, I have had a look at the plans and discussed with my Team Leader. I consider that it would be difficult to argue harm associated with this small single dormer window and therefore, I will, after all, be able to support the proposal. This will need to go to Planning Committee with the next available on the 3rd October. Can you agree to an EoT until the 4th October please.

Kind Regards
