Hi Maria

I'm sorry I didn't mean to make it difficult.

What I'm saying is that Economic Development can't support the loss of the accommodation but since the other properties nearby have had the restriction removed and the applicant has shown additional marketing we will not object.

Does that help?

Miriam

Hi Miriam,

My brain is not working properly (recently) and I am a little bit lost here.
It is a tricky one; no supporting and the same time no objection?

Would you be so kind to explain it in a plain English to somebody in my state?

Thank you

Maria

Hi Maria

I have spoken at length with the applicant, reviewed the additional information he sent me and also looked at the application for the other cottages on the same site.

Based on this, whilst we cannot support this application we will no longer raise an objection.

Kind regards

Miriam
