Dear Mr Dowling,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission for Works or Extension to a Dwelling

Development: Hip to gable roof extension with front and rear dormers and new front porch.
Location: Tinkersbell Hook Lane Aldingbourne PO20 3TE

Thank you for your recent application which I received on 24th August 2026. It is being validated by Ms Ella Summerfield who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

The declaration dates on the application form provided is older than 21 days. This form needs to be sent within the 21 day window.

Please agree to the description of the application to be changed to "Hip to gable roof extension with front and rear dormers and new front porch."

The location plan requires a named road.

The location plan requires a scalebar and the scale should be of 1:1250, this plan should be existing and be consistent with the existing roof plan.

The block plan requires a scalebar and scale of 1:500. The proposed works in the block plan do not include the extension of the front porch.

The existing south elevation windows have inconsistent dimensions compared to the existing ground floor plan.

CIL Additional Information Form

This application may be CIL liable, please complete and return the Form1 CIL Additional Information. The form and further information about CIL can be found on the website: www.arun.gov.uk/cil

The elevation and floor plans all require a scalebar. Plans with more than one drawing should have

separate scalebars/scales if they are not of the same scale.

Biodiversity Enhancement Statement

Please submit a Biodiversity Enhancement Statement. This is a local validation requirement completely separate to the Biodiversity Net Gain requirements and as a minimum, it should state how the application seeks to protect and improve the existing on-site natural environment. Please refer to the validation requirements list for further information.

Lidsey Drainage Impact Assessment

This application is for development with the Lidsey Wastewater Treatment Works Catchment Area and a statement explaining how foul and surface water is to be drained from the site is required. The statement must include what measures will be implemented by the applicant to reduce the impact of foul and surface water drainage in the catchment area. Further details of what must be included can be found in the Validation Requirements Lists.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **10th September 2026** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
