Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

2 No. flag poles & 1 No. 'V' sign board
Land opposite Woodgate & 2 Hook Lane Aldingbourne

Thank you for your internet representation made on 3rd August 2017 which has been recorded as '**an objection**' with the comments as follows:

Re app no above V sign boards no 2 No flags on poles
1.the erection address does not equate with the location given po203tb 2Hook lane opposite Woodgate
2.the positioning of the V boards and flags on poles would take the eyes of a driver off the 30MPH road sign that would be only just in front of the signs and flags .
3.the flags on poles and signage would be horrendous to the residents of Ryfe House ,Northfields, and The Hame especially the noise that flags on poles over 16ft high would cause flapping in the wind keeping us all awake at night.
Surely signage would be more appropriate at the site entrance not after driving past the the site if you were traveling south.
The proposed land chosen for erection is very often used as a EMERGENCY REFUGE when HGV or vehicles passing each other on opposite sides on this very narrow lane.
I do feel this could be hazardous situation.
