Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Construction of 8 no. dwellings, alterations to access and associated works.

Bridge Cottage Lidsey Road Bognor Regis

Thank you for your internet representation made on 5th October 2019 which has been recorded as '**no objection**' with the comments as follows:

*Sustainable transport
NPPF Sec 9, WSCC Walking and Cycling strategy and WSCC Cycle design guide*

The application lacks sufficient detail on how it will support Sustainable transport. Clear links to existing cycling routes need to be planned. Routes need to allow resident's access to Shripney, Bognor, Chichester, Schools and shops. Benefit would be gained if the canal could be protected but also form a linear park helping create a route (possibly to the new bypass or westwards along canal to A259.

*To encourage residents to use cycles the roads, houses and gardens need to be planned in such way that storage and easy access to cycles is the norm. Cycle storage at the back of the garden is not acceptable or user friendly

Do not include personal information or information from third parties unless you have their permission to do so.
