Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AL/75/21/PL
Site Address: Lidsey Lodge Farm Sack Lane Lidsey PO22 9PE
Description of works: Demolition of large agricultural buildings, removal of concrete yards and access, erection of 4 No.2 bed houses, 2 No. 3 bed houses, 2.No. 4 bed houses, gardens, access, parking, soft landscape and ecology areas. (resubmission following AL/27/21/PL). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 29th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37827

Our family moved to Lidsey Lodge in Sack Lane in December 2020. The core objection we have is the lack of access for additional cars. Sack lane is narrow, has no pavement and very limited passing places. The number of properties in this proposal would increase the traffic significantly. The original plans for this project from this developer contained false information on the level of farm traffic using the existing buildings, claiming a net traffic reduction. This is an argument entirely without merit. Sack Lane is dangerous for children to walk along (to get to the public footpaths) due to the existing traffic, adding 16 cars (two per dwelling) would make the situation much worse.

Your views as made above will be considered before the application is determined.
