Dear Ms Burrows

Thank you for your email.

When I first became aware of this objection, I spoke to your colleague Amber Willard on Tue 21/08/2018 and explained that our proposal does not overhang the boundary wall. As you can see from the enlarged part-elevation / detail below, roof including the gutter is within applicant's property.

The boundary wall is in applicant's land, and it is owned and maintained by the applicant.

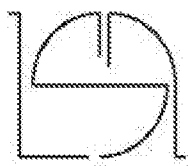

I hope the above clarifies the situation and answers your question but please let us know if you have any other queries.

Look forward to receiving the approval in due course.

Kind Regards

Subject: Mayaro House, Hook Lane, Aldingbourne

Dear Mr De Silva,

I write to you regarding the recent application submitted at Mayaro House, Hook Lane – reference AL/76/18/HH. The application has now been passed onto me to deal with and I am starting to write the report.

We have had an objection due to the fact the proposed roof appears to overhang the boundary wall. Could you please confirm if this is the case? If it is then please note you will be required to serve notice on the land owner of the adjacent path/road, amend the application forms submitted and then amend the red edge indicated on the location and block plan.

Please respond by email.

Kind Regards

Charlotte
