Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

Application No: AL/79/20/OUT  
Site Address: Land to West of Hook Lane Hook Lane Westergate PO20 3TE  
Description of works: Outline planning application with some matters reserved (Layout, Scale, Appearance and Landscaping are to be determined as reserved matters) for the construction of 10 No. dwellings & the creation of a new vehicular & pedestrian access on to Hook Lane. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 25th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31662

I agree with other comments that Hook Lane has already taken on over 90 new homes in the last year. This is already making walking along Hook Lane a hazard for pedestrians and dog walkers. If this development is agreed I think a condition should be that a footpath is built all along Hook Lane up the the public footpaths at least. I often walk along this stretch of road and have to step onto the verge (with a ditch on each side) to avoid 2 vehicles trying to pass. This is a rural road which is becoming an urban highway & the resulting hazard to us mere walkers is being ignored.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to [planning@arun.gov.uk](mailto:planning@arun.gov.uk) and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

**Neil Crowther**
