Dear Jeremy,

I have just put in a request to our Admin team to add/change the online planning files. The change to the red edge does mean that we need to readvertise the application. However, I have discussed with my

Team Leader and he is happy for us still to take the application to the 03/02/20 Committee Meeting even though the advertisement period will probably still be running. I will need to agree an Extension of Time with you to cover this Meeting and any advertisement period overrun but I will write again when I know the date of the end of this period.

Kind Regards
