Louise Shaw
C/o Aldingbourne Parish Council

19th January 2021

Dear Sir/Madam,

Case Officer: Mr S Davis
Telephone: 01903 737874
Email: Simon.Davis@arun.gov.uk

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/79/20/OUT

Site Address: Land to West of Hook Lane Hook Lane Westergate PO20 3TE

Description of works: Outline planning application with some matters reserved (Layout, Scale, Appearance and Landscaping are to be determined as reserved matters) for the construction of 10 No. dwellings & the creation of a new vehicular & pedestrian access on to Hook Lane. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 18th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32981

The Council objects to the application on the following grounds: The Council has already submitted detailed objections to application AL/79/20/OUT on 13.11.20. The Council continues to object on the same grounds: 1) The proposed development lies outside the Built-Up Area identified for Aldingbourne within the adopted Arun District Local Plan & the made Aldingbourne Neighbourhood Plan, in the absence of any justification for the development outside the built up area, would therefore be contrary to current Policies. The NP is undergoing a Review. Parish has identified other more suitable sites to meet its housing allocation that provide the needed affordable housing which the present proposal fails to secure. (Policies CSP1 & EH1) 2) The development would result in the loss of a valuable green space which contributes to the transition between the built up area & the more rural character beyond - with the consequence that it would harm the character & appearance of the area. 3) The development lies 12Km of the Cocking Tunnel SAC (European designation) & requires evidence to establish that the relevant species of bat are not affected. no evidence has been produced to determine that the development would not have a harmful impact on the protected species of bats. The Parish Council commissioned its own survey of bat species using the biodiversity corridors in the parish, including this area, & advised that no development should take place within 50 m of the biodiversity corridor. This independent report is available on the evidence base for the NP. Table 12 shows that the following bats were identified from audio recording during Transect 5 - Hook Lane B on 29 July 2020: Barbastelle 2, Myotis sp. 2, Noctule 1, Common pipistrelle 106, Soprano pipistrelle 56, Brown long-eared 3, Total number of bats passes 170. The Parish Council does not support the Comments of Arun/Chichester's Environmental Officer. The Officer has not visited the site, is unaware of the existence of the biodiversity corridors within the parish linking the South Downs NP & coast, as identified in the NP, foraging and commuting bats, in particular Barbastelle & Noctule Bats, which are among the rarest bats in the UK.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website www.arun.gov.uk/planning-privacy-statements

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
