Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/79/20/OUT
Site Address: Land to West of Hook Lane Hook Lane Westergate PO20 3TE
Description of works: Outline planning application with some matters reserved (Layout, Scale, Appearance and Landscaping are to be determined as reserved matters) for the construction of 10 No. dwellings & the creation of a new vehicular & pedestrian access on to Hook Lane. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 18th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33005

In the first instance I repeat my comments made in writing to the planning committee last year:-

The increase of traffic from new housing developments and lack of safe walkways etc. will lead to conflict and accidents.

If the council and the members of the Development Control Committee agree housing development in Hook Lane, and immediate areas, they must accept responsibility for vehicle accidents and associated injuries/deaths emanating from additional traffic use of Hook Lane.

If the council wishes to allow housing development in Hook Lane, it seems logical for the council, with assistance of developers, to provide:

- a wider road
- pedestrian pavements,
- street lighting,
- formal pedestrian crossing places, for the whole length of Hook Lane (from Oving Road to A29 Westergate Street), thus reducing the risk of vehicle accidents and accompanying deaths.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
