Subject: Discharge Hydrant condition - AL/80/25/DOC Land Adjacent to Woodgate Nurseries Lidsey Road Aldingbourne PO20 3SU

1

Providing the fire hydrant indicated on the plan submitted for this site are in place, ready for use and West Sussex Fire & Rescue Service (WSFRS) are informed it is ready for operational use the hydrant condition raised will be met and the condition discharged. The fire hydrant locations for this site have been consulted with and agreed with ICOSA. Unfortunately, on too many occasions new housing estate properties are occupied prior to WSFRS being informed fire hydrants are ready for use, which then puts lives and properties at risk in the event of a fire.

Ian
