Thank you for your recent application which I received on 20th July 2018. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Location Plan

Please submit 1 electronic or 3 paper copies of a location plan at a scale of 1:1250 or 1:2500 for rural areas. Further details of what must be included on the plan can be found in the National Validation Requirements.

Floor Plans

Please submit 1 electronic or 3 paper copies of clearly labelled existing and proposed floor plans at a scale of 1:50 or 1:100. Further details can be found in the National Validation Requirements.

Please confirm if there is any operational development. If there is, existing and proposed elevations are required.

Local Validation Checklist

Please provide the Local Validation Requirements Checklist in order to comply with the local validation requirements. No further validation will take place until this is received.

Please provide the Biodiversity Checklist so that so that the ecological impacts of proposals can be assessed. Both the checklist and the guidance notes are available on the Council's website and further information can be found in the Local Validation Requirements. No further validation will take place until this is received.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: <http://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **28th August 2018** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely

Neil Crowther
