Dear Mr Crowther

Ref: Woodend Slindon Bottom Road Fontwell AL/81/18/PL

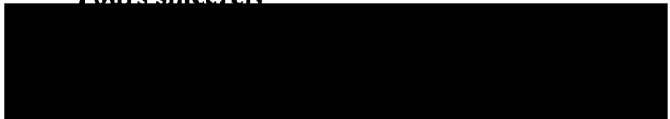

Thank you for your letter of 14th Aug 18 and letting me that my contact was Mrs D Johnson whom I was able to contact easily.

I enclose:

- a. Location plan copies as submitted when the Annexe was approved and built 13 years ago.
- b. The original floor plans as submitted when the Annexe was approved and built 13 years ago.
- c. Original plan for conservatory which was submitted when the Annexe was approved and built 13 years ago.
- d. I confirm that there is no operational development
- e. The local validation form completed to the best of my ability bearing in mind that the property is existing and 13 years old.
- f. Biodiversity checklist which appears to be for a new development whereas this building is existing and 13 years old. I mention that birds do nest in the hedging we planted but we are mindful not to disturb them until the fledglings have left the nest.

I hope I met the requirements as requested and am very happy to answer any further enquiries you may have .

Yours sincerely

Roger Scutt
