Dear Captain Pile,

Listing of Property, Bayleys Barn, Norton Lane, Norton

Thank you for your recent enquiry which was acknowledged on 28th September 1999.

The barn was originally within the curtilage of Norton Grange Farm which is a Listed Grade II Building. Application AL/59/96 granted consent for ... "Change of use of redundant barn to a single residential dwelling". Within that application a separate curtilage was established. The barn is not Listed within its own right, but formerly required Listed Building Consent because it was within the curtilage of a Listed Building. **Therefore, as the barn is no longer within the curtilage of a Listed Building, it is no longer considered to require Listed Building Consent.** However, the Approval Notice of AL/59/96 does have several conditions which must be complied with. I enclose a copy for your information.

Just this clarifies the matter for you.

Yours sincerely,

Susan Leeson
Senior Planner
