Dear Sir,

This email is to object to the above planning application.

As a resident in Park Lane, Aldingbourne I consider that Hook Lane already has a problem with cars and lorries using the road as a cut through to reach Lidsey Road. There have been a number of very close calls that I have witnessed as we live on the corner of Park Land and Hook Lane and I think that it is inevitable that a serious accident will occur if traffic is increased.

Sincerely.
