Dear Simon,

In relation to the above application, EH have the following comments:

1. timescale of development – no objection to removal of the condition
2. number of caravans – condition to be retained
3. provision of above-ground electric lines without prior approval – no comment
4. development – timescale element can be removed from condition
5. retention of existing boundary hedges and submission of a subsequent planting scheme – no comment

Many thanks,

Kate.
