For the attention of Mrs. D. Johnson

Dear Mrs. Johnson,

Further to your emailed letter dated 22nd August 2012, I attach herewith a copy of block site plan giving the additional road name as already stated on the site location plan of Denmans Lane and also both boundaries ringed in red.

With reference to your second query, all drainage systems are connected into the existing mains system therefore a full drainage environmental assessment is not necessary.

Yours sincerely,

CHRISTOPHER BARROW
