Hi Daun,

Thanks for the speed at which you have reviewed the application for Oldlands Farm. Much appreciated.

We have just received the attached requesting the following before the application can be validated:

"On the proposed site plan, please indicate the entrances to the site".

The scope of the application was prepared having first reviewed Arun's validation checklist, and from our perspective the site plan clearly shows an access proposed to serve the site from the spine road serving the existing developments at Oldlands Farm particularly when compared to the existing site plan submitted (attached) showing what's on the site currently based on topographic survey data.

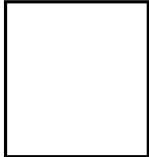

In light of the above we'd be grateful if you could confirm that the application will be validated as received.

As a heads up DWD has a kick off meeting with @Claire Potts at 13:30 this afternoon to run through the proposals following the signing of a Planning Performance Agreement for the Site. Hopefully we'll be able to resolve the above by then.

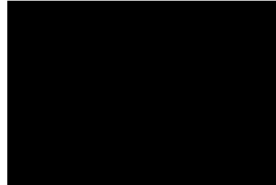

Kind regards,

Alex
