Hi Brenda,

We write in respect of application AL/87/21/PL.

We are pleased to see that the LPA's Economic Development team support the application which they recognise will bring additional jobs to the local area. We note that the team has requested that an Employment and Skills Plan (ESP) is provided with the application.

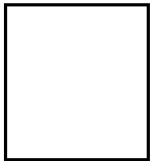

Please find this attached for their consideration. Note that this strategy has been prepared in the context of similar strategies relating to the adjacent Rolls Royce and Lidl sites. We look forward to your feedback.

In addition, we note that the PPA programme includes a post submission meeting on 26th July. With this in mind can you please advise on when would be a suitable time/date for this meeting? We'd be happy to set up a virtual meeting. In advance of this it'd be helpful to have received drainage comments in addition to other outstanding responses, or at least an update on when these are expected.

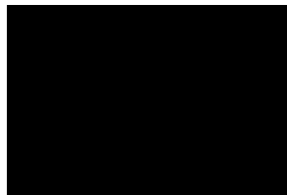

Kind regards,

Alex
