Hi David,

Hope you're well.

Attached is the applicants response in relation to the highway comments. I think these may have been sent across to Highways separately but I cannot see the attached online.

Kind Regards

Good morning Leanne,

Please see attached the highways technical note sent across to Tim Townsend at WSCC on the 25th (Friday) by Highgate Transportation for your records.

Highgate are in discussion with Tim in respect of modelling, particularly how to present their response given the technical information sent to them by Tim does not appear to be in the public domain.

Per my 18th October email it would be useful if you could come back to me on availability for a catchup on the application – I am now on leave this week but if you could keep those cc'd copied in and in particular liaise with Clare from my office as needs.

Kind regards,
Nigel
